AUSTRAL PLYWOODS

Slatpanel

The new look Hoop Pine plywood panel system designed for interior walls and ceilings.

Slatpanel is made in Australia with 100% Australian plantation grown and certified Hoop Pine.
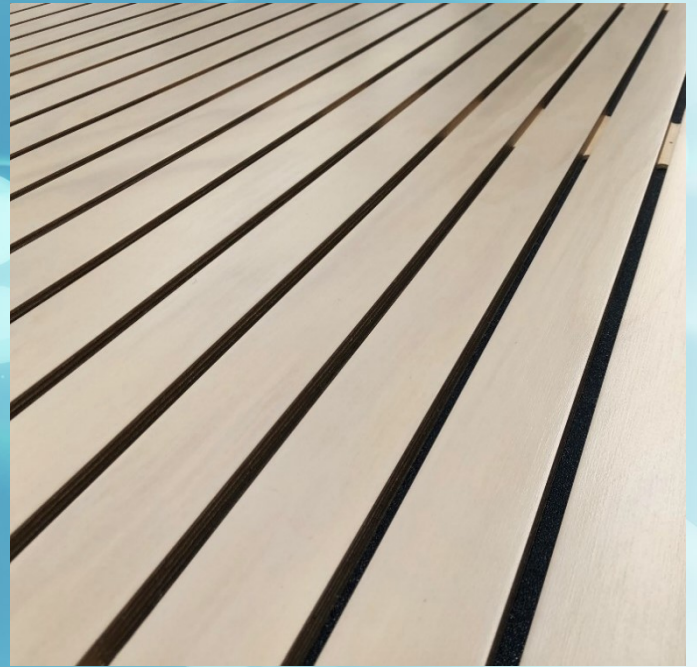

Specifying your next project is easy, simply choose from the following options:

- solid or acoustic
- raw or pre-finished with Austral iHoop finish
- acoustic backing
- coloured screws for concealed fixing to either timber or metal frame.

Slatpanel is a full 2400 x 1200mm one piece plywood panel, making it the easiest, fastest and most cost effective way to achieve an amazing timber slat ceiling or wall.

- Slatpanel panel dimension

  2400 x 1200 x 15mm
